

## Pay Selection Form

Name: \_\_\_\_\_  
(please print).

**Consumer Direct suggests that you use direct deposit. This can be through a Visa debit card or into an account that you choose. Visa debit cards are issued through US Bank.**

**Direct deposits avoid all likely delays linked with delivery of mail. This helps you access your pay on pay day. We will send you your pay stub (summary of your pay). This will be sent by first class mail to your address on file. First class mail terms and limitations apply.**

**Below are the pay options to choose from. Please select one option.**

- ☐ **New US Bank Focus Card.** I authorize Consumer Direct to issue me a US Bank Focus Card. They will use my Social Security Number and other identification on file to set up the card. Pay will be put onto this card. I should receive my debit card in around two weeks. It will be sent to my address on file.

- ☐ **Direct Deposit to my account.** I authorize Consumer Direct to deposit my pay to (name of bank or financial institution): \_\_\_\_\_.

Account Type (check one): ☐ Checking. ☐ Savings.

**For Checking Accounts:**

*Tape a voided check here.*  
Please do not attach a deposit slip.

**For Savings Accounts:** provide a document from your bank. This form must have the exact numbers to your account. It will be used to set up your direct deposit. Is the document larger than this box? Please send it in as a separate document. Do not attach a deposit slip. Deposit slips do not have all of the required numbers.

I authorize Consumer Direct to route my pay. This will be based on my answers above. Funds may be deposited into my account by mistake. If this happens, I authorize Consumer Direct to debit my account to correct the error. It is my duty to check that each deposit has occurred. I must pay any fees caused by overdrafts on my account. Deposits will be made on each applicable payday. I must let my employer know if I want to stop direct deposits. This must be in writing. Consumer Direct reserves the right to refuse any direct deposit request. All direct deposits are made through an Automated Clearing House (ACH); Processing is subject to ACH terms and limitations, as well as those of my financial institution. It may take some time to set up my selected method of pay. While this is being done, I will receive paper checks.
